

**Public Informational Meeting**  
**Wednesday, March 11, 2009 at 7:00 P.M.**  
**Point Breeze Restaurant, Webster, MA**

American Pro Wind LLC, the proponent of a renewable energy facility, powered by wind, is inviting all interested citizens and public officials in Webster, Douglas, and surrounding towns to attend an informational meeting and presentation to be held on Wednesday, March 11, 2009 at 7:00 P.M. at Point Breeze Restaurant, 114 Point Breeze Road, Webster, MA.

The project, known as Douglas Woods Wind Farm, includes the proposed construction of thirteen (13) wind turbines on approximately 274 acres of land in Douglas, south of Route 16 (Webster Street), and adjacent to the Webster town line and the State Forest. The proposed wind turbines will be located on 100 meter towers, with 40 to 50 meter blades, and are expected to generate up to 56,000 MWh of electricity.
